

STEP 1: Choose Your Target Schools

At this point in time, research and log here all schools you are considering.

There is plenty of time ahead to narrow the list.

The purpose of this table is NOT to list every piece of information about the school. It is key information, allowing you to start preparing your child correctly.

You might also find this school [open day notes form useful](https://url-shortener.me/PMO4) (https://url-shortener.me/PMO4)

School name	Exam date NB At this point many schools will only give the month.	Exam type and details, including stages. E.g. FSCE - writing, critical thinking, comprehension.	Open day dates Open day notes form: https://url-shortener.me/PMO4
